Etihad Rail is cultivating a thriving transportation ecosystem for our region and the rest of the world that is rooted in collaboration, prosperity, and opportunity. Through the consistent support of His Highness Sheikh Mansour bin Zayed Al Nahyan, UAE Vice President, Deputy Prime Minister, and Minister of the Presidential Court, and the UAE's wise leadership, we aim to further solidify the position of our national project at an international level.

This support is further underscored by the establishment of Global Rail, which provides Etihad Rail with a platform that will enrich the regional transport and logistics sector, ensuring its growing demands are met, and thus further driving its development.

H.H. Sheikh Theyab bin Mohamed bin Zayed Al Nahyan
Chairman
Etihad Rail

Global Rail 2025

Global Rail 2025 is the must-attend event for the future of transport where the government, industry leaders and innovators converge to drive innovations and set the course for a sustainable, interconnected world.

With rail transport accounting for over 1.6 billion journeys in just the first half of 2024 and the global rail industry valued at over \$300 billion, the impact and growth potential are immense.

Exhibition Product Sectors

Global Rail 2025 covers a wide range of sectors, including rail operators, freight and logistics, rolling stock, AI and technology, infrastructure, smart mobility, signaling, passenger experience, and sustainability.

With 40+ new exhibitors, the show is bigger than ever, offering more solutions and networking opportunities.

Air, Ports, Rail operators	Freight and logistics
Rolling stock	AI, technology and digitization
Infrastructure and construction	Urban and multimodal integration
Security and safety	Smart mobility
Signaling and control	Traffic management
Predictive maintenance	Sustainability
Consulting and engineering	Passenger experience

Who Will You Meet at Global Rail?

Global Rail 2025 brings together the key players shaping rail and transport operators, manufacturers, OEMs, engineers, infrastructure experts, logistics providers, and government and finance leaders, all in one place.

42+ OEMs	37+ Engineering & Consulting	26+ Infrastructure & Construction	12+ Government Entities and Associations
10+ Operators	8+ Rolling Stock Manufacturers	6+ Finance Institutions	

Snapshot of Confirmed Exhibitors

Drive Industry Growth Through International Partnerships

Global Rail 2025 will feature 8 international country pavilions, highlighting its role as a platform for global collaboration to showcase innovation, technology, and solutions across the rail and transport sector.

These pavilions support a more integrated transport ecosystem by promoting innovation, sharing best practices, and encouraging investment in sustainable and efficient transport infrastructure.

Country Pavilions in 2025

Maximise Your ROI in Specialised Exhibition Areas

Global Rail 2025's dedicated exhibition areas give you direct access to billions of dollars in investment and high-value business opportunities. Engage with industry leaders, explore frontier markets, discover cutting-edge technologies, and discuss advanced financing models for large-scale projects, all in spaces designed to drive growth, partnerships, and measurable ROI.

Innovation Hub

Experience 25+ selected trailblazers showcasing cutting-edge rail technology and sustainable practices in a dynamic space featuring groundbreaking digital solutions, smart infrastructure advancements, and transformative innovations.

Innovation Awards

With 242+ submissions, the Innovation Awards showcase Etihad Rail's commitment to industry advancement. They honor those shaping a more efficient, sustainable, and connected transport future. A total grant of 1,000,000 AED supports the winning innovations.

International Projects Pavilion

Benefit from direct access to frontier markets and investment opportunities. Accelerate projects, economic growth, and cross-border collaboration. Connect with industry leaders and decision-makers.

Finance Pavilion

The gateway to connecting with 7+ of top financiers and investment leaders. Engage in meaningful discussions, explore innovative financing solutions, and collaborate on strategies to bring major rail projects to life

Roundtables

Exclusive, closed-door, invite-only sessions bringing together leaders across the rail, transport, and mobility sectors. These curated discussions address the industry's most pressing challenges and foster collaborative solutions that deliver real value for project stakeholders, policymakers, and senior decision-makers.

Finance RoundTable Sponsor

DENTONS

Conferences Overview

The three-day Conference programs will bring ministers, policy makers, transport operators, financiers, technology pioneers, and infrastructure leaders together to drive intermodal integration, promote sustainable financing models, foster innovation and realise the interconnected, sustainable transport ecosystems of tomorrow. The event will gather over 200 speakers including policymakers, financiers, operators, transport authorities, engineers and tech pioneers to shape global transport dialogue and drive the collaboration needed to realise connected communities, resilient supply chains and revolutionise the movement of people and goods across urban communities, cities, and borders.

Hours of Insights

Opening Ceremony

The Opening Ceremony of Global Rail 2025 will inaugurate the event, emphasizing the shared commitment to driving change in the rail and transport sectors. Featuring keynotes and ministerial panels, the Opening Ceremony will underscore the importance of collaboration, sustainable practices, and cutting-edge technology in building the resilient, interconnected transport ecosystems of tomorrow.

Etihad Rail is cultivating a thriving transportation ecosystem for our region and the rest of the world that is rooted in collaboration, prosperity, and opportunity.

His Excellency Shadi Malak

CEO
Etihad Rail

Strategic Conference

The Global Rail Strategic Conference will gather over 120+ thought leaders and industry experts from across the rail, transport, freight and logistics, and mobility value chain to discuss the latest project updates, innovations, and technology to drive integration, digitalisation and harmonisation across transport modes and networks.

Through panels, fireside chats, and exclusive project insights, the conference provides a global platform to drive transformation and progress in the transportation sector. Policymakers, C-suite executives, and senior decision-makers will discuss critical challenges and opportunities, sharing strategies to advance sustainable, interconnected, and resilient transport networks for the future.

Technical Conference Categories

- Project planning and management
- Asset and lifecycle management
- Intermodal operations
- Signaling and communications
- Seamless passenger mobility
- End-to-end sustainable transport
- Digitalisation ai and automation
- Rolling stock innovation
- Safety and security
- Urban planning and transit-Oriented development
- High speed rail
- Innovation in construction and Infrastructure

Upgrade to a Delegate Pass

The Global Rail 2025 Conferences provide a key platform for policy, collaboration, and knowledge sharing in rail and transport. Aligning innovation with investment, they drive sustainable infrastructure growth and transformative change across the global transport ecosystem.

Why Upgrade to a Delegate Pass?

Access Strategic and Technical Insights

Attend sessions across both the Strategic and Technical Conferences, featuring 120+ expert speakers and panel discussions on rail, transport, freight, logistics, infrastructure, rolling stock, signalling, smart mobility, and sustainability.

Engage Directly with Leaders

Participate in exclusive sessions with ministers, C-suite executives, policymakers, engineers, and solution providers shaping the future of transport networks.

Stay Ahead of Industry Transformation

Discover emerging technologies, digitalisation, operational efficiency solutions, and best practices to drive innovation and performance.

Network at the Highest Level

Gain access to delegate-only networking spaces, connecting with project owners, senior executives, technical specialists, and strategic partners.

Turn Insight into Opportunity

Walk away with actionable intelligence, market forecasts, and business-critical updates to inform strategy, investment decisions, and competitive positioning.

Choose the Right Pass for You

Select the Strategic All-Access Pass for full conference access and networking. Or the Technical Pass for focused insights into engineering and innovation.

Scan to register as a delegate

Register for Your Complimentary Visitor Pass

We recommend all our attendees register in advance through the online registration page, grtieg.com/visit and print their badge at home to avoid queues onsite.

PRINT YOUR BADGE AT HOME

Register as a visitor in three simple steps

1

Visit grtieg.com/visit to start your registration. You can register through your mobile device, or on your computer to complete the requested details.

2

Provide your personal details, company details, and respond to the questions required to tailor your Global Rail 2025 experience.

3

You will receive an email confirming your registration. Your print-at-home visitor badge will be emailed to you thereafter.

Plan your trip to Abu Dhabi for Global Rail 2025

Looking to plan your trip to Abu Dhabi? Start here. Abu Dhabi is a well-connected destination, just a six-hour flight from parts of Europe and four hours from India.

Travelling to Abu Dhabi

More carriers than ever are flying to Abu Dhabi. With frequent flights arriving from destinations worldwide, planning a trip with one of Abu Dhabi's airlines is easy. Get more information about flights and cruises and access visa information with the Abu Dhabi travel guide.

[Start your journey here](#)

Where to stay in Abu Dhabi

You're spoilt for choice when it comes to choosing a hotel in Abu Dhabi. Book yourself into a personal haven made just for you, from luxurious retreats to budget resorts to business-friendly accommodation.

[Discover your retreat here](#)

Things to do in Abu Dhabi

As globalisation expands, efficient logistics and supply chain networks are essential for seamless trade and economic growth. These systems connect producers, suppliers, and consumers, ensuring the timely delivery of goods worldwide. The Logistics & Supply Chain Focus Sector at Global Rail 2025 highlights advancements in technology, sustainability, and infrastructure to address these challenges and enhance efficiency.

[Explore the Capital of the UAE here](#)

Exhibition Venue and Location

Global Rail will take place at ADNEC Centre, in the capital city of Abu Dhabi. The ADNEC Centre is a multi-award-winning venue with over 153,000 square meters of space, providing exceptional facilities for organisers of exhibitions, conferences, and events.

Situated in Abu Dhabi, the capital of the UAE, which has been recognised as the safest city in the world since 2017, the ADNEC Centre is just a 15-minute drive from the Abu Dhabi International Airport, 20 minutes from downtown Abu Dhabi, and 90 minutes from Dubai International Airport.

[Access the location map](#)

Global Rail 2025 Your Check List

To ensure your visit to the region's largest transport infrastructure exhibition and conference, we recommend using the below checklist:

VISITOR "PRINT AT HOME" BADGE

To avoid onsite registration queues, we recommend printing your 'Print-at-Home' visitor badge before arriving.

Secure your complimentary visitor pass by registering on grtieg.com/visit and upon completion, you will receive an email confirming your registration with your "Print-at-home" visitor badge.

DOWNLOAD THE GRTIEC 2025 MOBILE APP

Make your participation more effective while you are on the go by downloading the GRTIEC 2025 Mobile App.
